Le Spice Merchant in Ware is an innovative Pan-Indian restaurant that also serves authentic, traditional favourites. The smart dining room features white table linens, upholstered seating, soothing colours and bright artworks. After a lifetime in the food business, Imran Chowdhury & Abdul Munim now have their first restaurant where they can present superb dishes from all over the subcontinent and their own creations too. Signature dishes include chargrilled rare duck tikka, roast lamb shank with ginger, garlic, cumin and green chilli, and sumondari khazana with greenlip mussels, baby squid and crab meat. Ever-changing Sunday buffet and great value lunch menus make Le Spice Merchant a local favourite.
